ABOUT ME

I am a friendly, focused, and inquisitive Cybersecurity Graduate recently back from Australia. I aim to leverage both my strong customer service experience and my technical expertise to provide swift and effective solutions to clients.

On a more personal level, I love gaming, I speak Spanish as a second language, and have been a self-taught guitarist for over 20 years.

TECHNICAL SKILLS SUMMARY

Operating Systems: Linux, Windows

CLIs: Unix, Windows, Cisco IOS

Languages: JavaScript, Python, Bash, Rust

Dev Ops: Git, GitHub, Docker

Cybersecurity: Incident Response, Risk Assessments, Vulnerability Scanning

Other Skills: Project Management, Strong Communication, Pair Programming
